**Susan G. Komen® Austin** is

an Austin-based nonprofit

committed to saving lives

locally and fighting breast cancer

globally. Komen Austin is the only local

breast cancer organization attacking the

disease on all fronts – education, screening,

treatment, follow-up care, survivorship support,

advocacy and research.

Komen Austin serves the women and men in the community

battling breast cancer by removing barriers to care for the

uninsured and underinsured in Bastrop, Caldwell, Hays, Travis and

Williamson counties. Of the funds raised annually, Komen Austin invests

up to 75 percent into local community health care grants and educational

initiatives; the remaining 25 percent is invested into global research studies to

find the cures for breast cancer.

Join Komen Austin's Schools for the Cure® program to contribute to fight against breast cancer in your local community.

## Pink Out Games

Invite your school sports team to host a Pink Out game where everyone wears pink to show their support and raise money towards the fight against breast cancer.

### Fundraising from sporting events can be raised through:

- Ticket sales
- Concession stands
- Selling pink event t-shirts or merchandise
- Collecting donations
- Other ideas are strongly encouraged so don't be afraid to have fun and get creative!

# WAYS *you can* EXPERIENCE *the* RACE

## Form a Team and Fundraise

Putting together a Race team is a competitive and fun way to get involved with the Susan G. Komen Race for the Cure® Austin. Every year we have dozens of teams participate in the fundraising aspect of the event as well as the Race itself. Teams are made up of families, friends, co-workers, and students. A great way to kick-off our fundraising is to start a team with your classmates. On Race day, teams with the highest fundraising amounts will be recognized. Race teams can come up with creative team names and t-shirts to set themselves apart from other teams as well. Register for the race and start your team at [komenaustin.org](http://komenaustin.org)
