

SURVIVOR SOCIAL

October 21 | 7:00 p.m. on Zoom

Connection, Hope & Laughter are the themes for this special Breast Cancer Awareness Month Survivor Social hosted by Komen.

This hour is for you, wherever you are in your breast cancer journey.

No slide decks or formal presentation—this is all about bringing joy to your day!

With our special guest and professional facilitator, Shana Merlin of Merlin Works, we will play (and maybe even dance) using activities from the world of improv comedy to get to know each other. This fun and interactive experience is sure to bring out the giggles. Amidst the laughter, you might just find tools you can use at home, at work, or during breast cancer treatment. Forget those snooze-worthy Zoom happy hours and get engaged, connected, and energized with us. We're excited to see you!
